MISS MARY ENSFIELD
County Commissioner of Schools
Kalamazoo, Michigan

John DeWitt -:- -:- Truant Officer
Kalamazoo, Michigan

NOTICE TO SCHOOL OFFICERS AND TEACHERS

No teacher is legally hired unless there has been a legal meeting of the School Board, at which time the majority of the Board voted to hire such a teacher. School officers cannot contract with a teacher not holding a certificate, valid in the county where she expects to teach. No public money can legally be paid to such a teacher. Districts employing such a teacher will forfeit primary money the following year. A contract must be made and signed by the School Board and teacher.

The law requires that all persons holding a Michigan teacher's certificate must file an Oath of Allegiance in the office of the Superintendent of Public Instruction between the dates of September 29 and December 27, 1939.

A certificate must be filed in the office of the County School Commissioner and the institute fee paid before such a teacher is qualified to teach and draw public money. (See General School Laws.)
